Solicitation Information

Title: I-95 Pavement and Retaining Wall Restoration

Description:

Rhode Island Contract No. 2022-CH-017, Federal Aid Project No. 401-422-101 is for I-95 Pavement and Retaining Wall Restoration. This work involves soil injection and pavement restoration along I-95 Northbound pavement between Laurens Street and Park Avenue to prevent future settlement, installing new barrier along I-95 NB and SB between Milford Street and Park Avenue, and removing the mechanically stabilized earth walls. Also included will be maintenance and protection of traffic, signage, striping, drainage cleaning, clearing, erosion controls, and other incidentals, complete and accepted.

Delivery Terms: Free On Board Destination

Payment Terms: Vendor Specified
