Pecks Road Bridge Repairs

Addendum #1

April 8, 2024

The following question and its corresponding answer hereby becomes part of the bid and contract documents.

Q1. There is not enough information on them to determine the demo scope of the existing bridge. Do you have the original drawings of the existing bridge?

A1. Attached is a drawing of the existing bridge, which is referred to as the Pecks Mill Bridge.

Receipt of this addendum **MUST** be acknowledged on the Bid Pricing Sheet.
