

Right of Way Certificate

City/Town: Marion, Wareham

Route/Project:

ProjectInfo #: 605311 **Federal Aid #:** N/A for ROW

The Right of Way Bureau, MassDOT - Highway Division, hereby certifies that the rights to occupy and use all rights of way for the proper execution of this project have been acquired or will be acquired in accordance with Massachusetts General Laws, Chapters 79 & 81, the Uniform Relocation Act, and Title 23 of the Code of Federal Regulations, Part 635, Section 309, paragraph c (when applicable) and that the status of the right of way is as follows:

- (a) No right of way acquisitions are required for the project.
- (b) All of the necessary rights of way have been acquired. All payments/deposits are complete, if applicable. No structures exist on the acquired parcels, therefore no businesses, families, or individuals will require relocation assistance.
- (c) All of the necessary rights of way have not been acquired; the properties within the contract limits will not be available for construction operations until acquisition procedures are completed by the Commonwealth.
