## Solicitation Requirements: General Requirements

### *Confidential Documents*

Vendors may designate part or all of a document(s) as being "confidential" on the applicable document(s) itself. A confidential designation for these purposes should only be applied to information which is deemed exempt from public disclosure pursuant to R.I. Gen. Laws § 38-2-2 or other applicable federal/State law, and may include but not be limited to the following: proprietary information; trade secrets; vendor financial records/statements; vendor bank account, ACH, and/or routing numbers; personally identifiable information of vendor staff/contractors; and FEIN and/or Social Security Numbers.

Vendors are advised that upon submission of document(s) marked as "confidential", the Vendor must also upload a redacted copy of the same document(s) which are suitable for public disclosure. Failure to upload a redacted copy, or submission of documents which are so excessively redacted as to thwart public disclosure requirements, may result in the Vendor's proposal being deemed non-responsive to the solicitation in accordance with 220-RICR-30-00-13(C)(6).

OSP Confidential Toggle Indicator Note: The toggle functionality in OSP to designate a document(s) as confidential is temporarily unavailable. If a vendor needs to indicate a document(s) as "confidential", do so within the document(s) itself and upload the file accordingly.

## ***Disadvantaged Business Enterprise or Minority/Woman Business Enterprise Goal***

**The Contractor will be required to meet the established goal of not less than DBE 10% percent of the contract bid price to the Contractors, Subcontractors, and/or suppliers which qualify as Disadvantaged Business Enterprises**

The Contractor will be required, in accordance with the provisions of the Disadvantaged Business Enterprise Affirmative Action Certification for Contractors and Consultants, to meet the established Race-Conscious Goal, or Contract Goal, of not less than 10.00 percent of the contract bid price, to the Contractors, Subcontractors, and/or suppliers which qualify as Disadvantaged Business Enterprises (DBE's). Failure by the Contractor to demonstrate every good faith effort in fulfilling its DBE commitment during the construction period will result in the reduction in contract payments by the amount determined by multiplying the awarded contract value by the established DBE percentage, and subtracting the dollar value of the work actually performed by DBE contractors. This action will not preclude RIDOT from imposing sanctions or other remedies available as specified in paragraph (I) (C) of the Disadvantaged Business Enterprise Affirmative Action Certification for Contractors and Consultants.

## ***Bid Bond***

A bid bond payable to the State of Rhode Island, in the amount of 5% of the total or gross sum of the bid must be furnished by each bidder, The Proposal Guaranty will be furnished by surety companies authorized/licensed to do business in the State of Rhode Island. The State reserves the right to retain the surety of all bidders until the successful bidder enters into the Contract or until such time as the award or cancellation of the Contract is announced at which point Sureties will be returned to all bidders by the State of Rhode Island. A performance bond of one hundred (100) percent of the contract price with a satisfactory surety company will be required of the successful bidder. All surety companies must be listed with The Department of the Treasury, Fiscal Services, Circular 570, (Latest Revision published by the Federal Register), The Department of Transportation reserves the right to reject any or all bids.
