LEGAL NOTICE – INVITATION TO BID**Concourse Park
CRDA Project # 25-005
East Hartford, CT**

The Capital Region Development Authority (CRDA) is undertaking sitework at Concourse Park in East Hartford, CT. CRDA intends to enter into a contract with a qualified site contractor to provide pre-construction, construction and post-construction services for this project.

Sealed bids for the above project must be received by CRDA, 100 Columbus Boulevard, Suite 500, Hartford CT 06103 (Attention: Erica Levis), by 10:00 AM on **January 6, 2026**, after which time they will be publicly opened and read in a location to be determined at 100 Columbus Boulevard.

This project consists of installation of sedimentation and erosion control, site demolition, sitework, land clearing, underground utilities, including storm drainage, sanitary sewer, water, gas, electric and telephone/cable, grading, curb, paving, sidewalks, site lighting, signage, and plantings.

Plans, specifications and documents for the project are available for viewing and downloading on the State Contracting Portal at [CTsource](#) and the CRDA website, and may be examined at the Capital Region Development Authority, 100 Columbus Boulevard Suite 500, Hartford CT (contact Erica Levis at elevis@crdact.net).

Bidders are advised that a good faith effort is required for participation in this contract by Small Business Enterprises (SBE) and Minority Business Enterprises (MBE). The SBE goal is twenty-five (25) percent of the contract value, with twenty-five (25) percent of that amount (6.25 percent of the overall project) as the MBE goal.

Bidders are advised that prevailing wages are required on this project.

A mandatory pre-bid walk through of the project site will be held at 936-960 Silver Lane, East Hartford, CT at **1:00 PM on Wednesday October 15, 2025**.

CRDA reserves the right to reject any or all bids and to waive any or all informalities or technical defects, if it is deemed to be in the best interest of CRDA.

An Affirmative Action/Equal Opportunity Employer. Minority/Women's Business Enterprises are encouraged to apply.

PART 1 – PROJECT DESCRIPTION

1.1 PROJECT: **Concourse Park**
 CRDA Project # 25-005

East Hartford, Connecticut

1.2 DUE DATE: **January 6, 2026**

TIME: 10:00 AM

1.3 PROJECT DESCRIPTION

The project is for the Concourse Park site work and consists of the installation of erosion and sedimentation control, site demolition, earthwork, underground utilities, including storm drainage, sanitary sewer, water, gas, electric and telephone/cable, grading, curbing, paving, sidewalks, site lighting, signage and plantings.

Running parallel to the above-mentioned Concourse Park site work, Jasko Zelman 1, LLC (“Jasko”) will be overseeing the construction of the apartment community buildings, consisting of apartment buildings, garages, a clubhouse, a mail building and trash and maintenance buildings. The successful bidder for the Concourse Park site work will be required to maintain access for Jasko’s contractors to the building locations throughout the site and coordinate with Jasko’s contractors in the development of a logistics plan that will ensure both projects can proceed efficiently.

PART 2 – PROJECT SCOPE OF WORK & SCHEDULE

2.1 Scope -- This project includes, but is not limited to:

A. General Requirements

- a. Procuring all necessary municipal building, roadway work and road closure permits necessary for construction.
- b. Coordinate and schedule all required inspections, including, but not limited to, Town of East Hartford, MDC, Connecticut Natural Gas, Eversource, Frontier and Comcast.
- c. Develop a comprehensive staging plan for the Owner’s approval. Provide monthly update of the approved staging plan or more often if required.
- d. Develop a detailed critical path construction schedule for the Owner’s approval.
- e. Maintain overall construction sequence and staging in accordance with the approved staging plan and construction schedule.
- f. Provide overall utility coordination and scheduling of inspections.
- g. Provide quality control testing and certification.
- h. Provide traffic control as needed.
- i. Provide temporary facilities, including temporary power necessary to complete the Work.
- j. Provide temporary signage, barricades and fencing as required to maintain a safe and secure site. All open excavations must be protected with hard fencing.
- k. Conduct biweekly meetings with the Owner.
- l. Provide weekly photo documentation and daily reports documenting construction activity. The daily reports shall include a list of on-site equipment and labor, construction activity, soils leaving site (number of trucks and yardage), soils arriving on site (number of trucks and yardage) and vendor material deliveries.

INVITATION TO BID: INSTRUCTION TO BIDDERS

- m. Dewatering: Upon encountering groundwater during construction, provide dewatering of the required areas in conformance with the Soil and Materials Management Plan (SMMP) prepared by GZA, dated June 2025. Furnish and maintain appropriately sized frac tanks, pumps, hoses, and apparatuses to perform dewatering for all trenching activities.
 - n. Winter Conditions: Snow and ice removal shall be performed by the contractor as required to support their work which should also include costs associated with construction activities subject to winter temperatures/conditions.
 - o. There are two (2) options for discharge of the ground water held within the frac tank(s). The contractor can use one of the options listed below and will need to always meter the flow out of the frac tank(s) as well as coordinate the discharge with the Owner's Environmental Consultant.
 - i. Option 1 will be to the existing Town of East Hartford manhole that is part of the Willow Brook Bypass. The manhole is located offsite on a parcel owned by the Town of East Hartford on the southern side of Applegate Lane (100 Applegate Lane). This bypass drains to the Hockanum River. The discharge limit to this manhole/bypass is 2,000,000 gallons per day (gpd).
 - ii. Option 2 will be to the existing onsite storm drain system which drains to the Willow Brook. The discharge limit for the existing onsite storm drains is 5,000 gpd
- B. Land Clearing, Rough Grading and Site Preparation
- a. Provide field engineering including survey for stakeout. The Owner will provide two (2) control points.
 - b. Locate and protect existing trees to remain.
 - c. Locate and protect existing utility services to remain within the Limit of Construction, including, overhead and subsurface electrical cables, sanitary and storm sewer systems, water and gas service, utility poles, and telephone, security and communications lines.
 - d. Complete clearing and grubbing, including removal of trees, tree stumps and vegetation, within the Limits of Construction as depicted in the project plans. Topsoil (0-0.5 feet below grade (fbg)) within the Limits of Construction is to be stockpiled for sampling by Owner's Environmental Consultant. The results of the stockpile sampling indicate the soils do not contain constituents at concentrations above the default RSR criteria and have no restrictions for off-site reuse.
 - e. Site Demolition – Remove and properly dispose of debris from project site, including saw cutting, and demolition of miscellaneous structures. Abandon and remove existing utilities as required.
 - f. Install and maintain temporary erosion control devices as depicted on the project plans, including dust control and street sweeping as needed on a daily basis.
 - g. Existing soils at 0.5-2 feet below grade (fbg) are to be excavated and stockpiled onsite for sampling by the Owner's Environmental Consultant. Stockpiled soils are to be reused onsite for rough grading within the Limits of Construction as depicted in the project plans.
 - h. Complete clearing and grubbing, including removal of trees, tree stumps and vegetation, within the Limits of Construction as depicted in the project plans. Topsoil within the Limits of Construction is to be stockpiled for sampling by Owner's Environmental Consultant. The results of the stockpile sampling indicate the soils contain constituents at concentrations above the RSR criteria and are not suitable for off-site reuse and will need to be disposed of at a landfill.
- C. Installation of Site Utilities
- a. Furnish and install sanitary sewer system, including structures, pipes, laterals to within five feet of building foundations, trenching, bedding, backfilling, warning tape, connection to existing system, cleaning, testing, and associated items. Cap, mark and survey location and invert of the end of laterals.
 - b. Furnish and install storm drainage system, including structures, pipes, laterals to within five feet of building foundations, trenching, bedding, backfilling, warning tape, connection to existing system, and associated items. Cap, mark and survey location and invert of the end of laterals.

INVITATION TO BID: INSTRUCTION TO BIDDERS

- c. Furnish and install electrical system, including structures, conduits, pull rope, trenching, bedding, backfilling, warning tape, connection to existing system, and associated items to within five feet of building foundations. Conduit to be installed by a licensed electrician. Circuit installation by utility company.
 - d. Furnish and install one (1) conduit run for cable/communication systems including structures, conduits, pull rope, trenching, bedding, backfilling, warning tape, connection to existing system, and associated items to within five feet of building foundations. Communications cable installation by others.
 - e. Furnish and install domestic and fire water systems including gates, hydrants, pipes, laterals to within five feet of building foundations, including service curb stops, fittings, trenching, bedding, backfilling, warning tape, connection to existing system, cleaning, testing, and associated items. Cap, mark and survey location and invert of the end of laterals.
 - f. Furnish and install the water and sewer main as shown on the Developer's Permit Agreement (plans and contract) through the MDC including gates, hydrants, pipes, fittings, trenching, bedding, backfilling, warning tape, connection to existing system, cleaning, testing, and associated items. Coordinate with MDC connection to the existing system.
 - g. Provide trenching, bedding, backfilling and warning tape for gas service lateral to within five feet of the Gatehouse Clubhouse foundation.
- D. Site Finishes
- a. Furnish and install lighting system, including concrete pole bases, pull boxes, conduits, pull ropes, trenching, bedding, backfilling, warning tape, connection to existing system, and associated items. 3.4 Interpretation or Correction of Bidding Documents

- A. Bidders shall thoroughly examine and be familiar with the drawings and the specifications. The failure or omission of any Bidder to receive or examine any form, instrument, or document shall in no way relieve the Bidder from any obligation with respect to his bid.
- B. Bidders shall carefully examine the contents of this Invitation to Bid (ITB) and related documents. Any ambiguities or inconsistencies shall be brought to the attention of CRDA in writing by 3:00 p.m. on November 10, 2025. Failure to do so will constitute your acceptance of any subsequent interpretation or decision made by CRDA.
- C. No interpretation of the meaning of this ITB will be made orally. In the event that CRDA provides any interpretation, only written interpretations will be binding upon CRDA. All questions, clarifications and other responses will be posted on the State Contracting Portal and the CRDA website in accordance with the Bid Timeline. Any addenda or amendments to this ITB will also be posted on the State Contracting Portal and the CRDA website. Bidders are strongly encouraged to return periodically to the CRDA website for updates and information related to this Invitation to Bid.
- D. Requests for clarification or interpretation of the ITB or Bidding Documents shall be made in writing. The CRDA will accept requests for clarifications up until 3:00 p.m. on November 10, 2025. Clarification or Questions can be emailed to Erica Levis at elevis@crdact.net.
- E. CRDA reserves the right to respond or not to respond to specific questions, clarifications or requests concerning the ITB process. CRDA acknowledges that information contained in the submission may be subject to the Freedom of Information Act (FOIA).
- F. CRDA may amend or cancel this bid or modify the schedule, prior to the due date and time, if CRDA

deems it to be necessary, appropriate or otherwise in the best interest of CRDA.

3.5 Substitutions

- A. The materials, products and equipment described in the Bidding Documents establish the standard required for the function, dimension, appearance and quality to be met by any proposed substitution.
- B. No substitution will be considered after receipt of Bids unless the written request for approval has been received by the Architect by the date stipulated in the ITB. Such requests shall include the name of the material or equipment for which it is to be substituted and a complete description of the proposed substitution including drawings, performance and test data, and other information necessary for an evaluation. A statement setting forth changes in other materials, equipment or other portions of the Work including changes in the work of other contracts that incorporation of the proposed substitution would require shall be included. The burden of proof of the merit of the proposed substitution is upon the proposer. The Architect's decision of approval or disapproval of a proposed substitution shall be final.
- C. If the Architect approves a proposed substitution prior to receipt of Bids, such approval will be set forth in an Addendum. Bidders shall not rely upon approvals made in any other manner.
- D. No substitutions will be considered after the Contract award unless specifically provided in the Contract Documents.

3.6 Addenda

- A. Addenda will be posted to CTSOURCE and CRDA website. Bidders are advised to check regularly.
- B. Addenda concerning technical matters will not be issued later than the stipulated day prior to the date for receipt of Bids. The CRDA reserves the right to issue an Administrative Addendum at any time, withdrawing the request for Bids or postponing the date for receipt of Bids.
- C. Each Bidder shall confirm, prior to submitting a Bid that the Bidder has received all Addenda issued. The Bidder shall list the Addenda in the Bid.

3.7 Performance and Payment Bond Requirements

- A. Performance and Labor and Material Bonds to be furnished by the bidder awarded the contract shall be an amount not less than 100% of the contract price.
 - 1. Such bonds are required after receipt of bids and before execution of the Contract; the cost of such bonds shall be included in Bid Item 1. The bonds shall be rated A minus or better by A.M. Best. The CRDA is to be listed as the bond obligator.
 - 2. If the Work is to be commenced prior to the execution of the contract, in response to a letter of intent or a limited notice to proceed, the Bidder shall, prior to commencement of the Work, submit evidence satisfactory to CRDA that such bonds will be furnished and delivered in accordance with this Subparagraph.
 - a. It is preferred that the bonds be written on the AIA 312 forms. Both bonds shall be written in the amount of the Contract Sum.
 - b. The bonds shall be dated on the date of the Contract.
 - c. The Bidder shall require the attorney-in-fact who executes the required bonds on behalf of the surety to affix thereto a certified and current copy of the power of attorney.
- B. The Bidder shall furnish with their Bid, evidence of its ability to obtain satisfactory Performance and Labor and Materials Payment Bonds in the full amount of the Contract Sum.
- C. Payment and performance bonds will be required from all subcontractors, except that in accordance with

Connecticut General Statutes Sections 49-41, et. seq., the following restrictions apply:

A Payment Bond shall not be required to be furnished in relation to any sub-bid in which the total estimated cost of labor and materials under the contract to which the sub-bid is submitted is less than One Hundred Thousand Dollars (\$100,000.00).

A Performance Bond shall not be required to be furnished in relation to any sub-bid in which the total estimated cost of labor and materials under the contract to which the sub-bid is submitted is less than Fifty Thousand Dollars (\$50,000.00).

If the bidder is a small contractor or minority business enterprise pursuant to Connecticut General Statutes Section 4a-60g, it may provide in lieu of a Payment of Performance bond, a letter of credit in an amount equal to Ten Percent (10%) of the bid if the estimated value of the contract for which the bid is submitted is less than one hundred thousand dollars and in amount equal to Twenty-Five Percent (25%) if the estimated value of such contract is One Hundred Thousand Dollars (\$100,000.00) or greater.

D. Obligees – All performance and payment bonds shall name CRDA as obligee.

E. Bond Adjustments for Change Order Work

1. Actual additional bonding costs associated with the value of the Change Order will be compensable only when supported by written documentation by the bonding company that the Change Order requires an increase to the original Performance, Payment, Labor or Material Bond.
2. The Contractor shall notify the bonding company at each \$500,000 increase to the contract value as the cumulative result of change orders. A copy of the Consent of Surety must be provided to the Owner prior to the execution of any change order which exceeds each cumulative \$500,000.
3. Mark-up for Overhead and Profit shall not be applied to Change Orders for Increase in Bonds due to Change Order Work.

3.8 Insurance

- A. The Successful Bidder shall submit Insurance Liability Coverage as per Schedule B Section 6.
- B. The cost of the Successful Bidder's insurance is to be included in Bid Item 1.
- C. If the Work is to be commenced prior to the execution of the Contract, in response to a letter of intent or a limited notice to proceed, the Bidder shall, prior to commencement of the Work, Submit such Insurance.

3.9 State Labor Standards Provisions, Laws and Regulations

- A. All provisions of all applicable State Labor Standards must be complied with under this Contract. The execution of the Contract by the Bidder binds him to all applicable State Labor Laws and Regulations. All such Standards, Laws and Regulations shall be binding to the same extent as if they were copied at length herein.
- B. As a condition of contract, any out-of-state contractor who is awarded work must provide CRDA with a copy of the State of Connecticut Trade License for Employees working in the State of Connecticut.
- C. Non-Resident Contractors – at the time of Contract signing, a certificate from the Commissioner of Revenue Services shall be provided which evidences that C.G.S. 12-430 for non-resident contractors has been met. For details, call the Department of Revenue Services at 1-800-541-3280, ext. 7. A link to the Department of Revenue Services is provided in the Document Appendix.

3.10 DAS Contractor Prequalification Certification

- A. Bidders shall be prequalified by the Connecticut Department of Administrative Services (DAS) for a minimum of \$5,000,000 for a single project. All prime bidders must be pre-qualified for the classification of work that they are bidding on. Each bidder shall hold a current "DAS Contractor Prequalification Certificate" (not a predetermination letter) from the Department of Administrative Services of the State of Connecticut

INVITATION TO BID: INSTRUCTION TO BIDDERS

according to C.G.S. § 4a-100, C.G.S. § 4b-101 and C.G.S. § 4b-91. Bidders shall submit with their bids, unless noted otherwise, a "DAS Contractor Prequalification Certificate" along with a current "Update (bid) Statement".

Any bid submitted without a copy of the DAS Prequalification Certificate and an Update (Bid) Statement shall be invalid. If you have any questions regarding these requirements, contact DAS at telephone number 860-713-5280 or visit their web site at www.das.ct.gov.

3.11 Incurring Cost

- A. Bidders are solely responsible for any and all cost or expenses incurred in the preparation and submission of this bid.

PART 4 – COMPLIANCE REQUIREMENTS AND CERTIFICATIONS**4.1 Non-Discrimination in Employment**

- A. Each contractor, vendor, and supplier shall be subject to, and shall comply with the following requirements, included herein by reference, to insure through affirmative action that qualified employees, applicants for employment and subcontracting are not discriminated against because of race, creed, color, religion, age, sex, physical disability, or national origin. Said requirements shall include compliance with all applicable Federal, state and local statutes, ordinances and regulations relating to discrimination in employment. It shall be the responsibility of the bidder to be familiar with and knowledgeable about the above.
- B. The apparent successful bidder may be required to undergo a pre-award compliance review for the purpose of ascertaining whether in the opinion of the Owner the bidder is willing and/or capable of complying with the above requirements.
- C. Set-Aside Participation: The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes. Refer to the Commission on Human Rights and Opportunities Contract Compliance Regulations Notification to Bidders at [Contract Compliance Forms and Reports](#)
- D. All bidders must complete, sign, and return the CHRO Contract Compliance Regulations Notification to Bidders form to CRDA. Bids not included in this form will be considered incomplete and rejected. CHRO forms are attached.
- E. Nondiscrimination Certification: Prior to award the selected contractor must provide a Nondiscrimination Certification pursuant to Connecticut General Statutes §§ 4a-60(a)(1) and 4a-60a(a)(1), as amended.
- F. Bidders are advised that CRDA has a goal of 25% Small Business Enterprise (SBE) participation and 6.25% Minority Business Enterprise (MBE) participation from lower tier contractors/vendors in this contract. The Contractor is responsible for ensuring the SBE/MBE firms that have been selected are eligible contractors and must submit an Affirmative Action Plan to CHRO detailing their good faith efforts and processes for selecting these MBE/SBE companies.
- G. All provisions of all applicable State Labor Standards must be complied with under this Contract. CRDA is an Affirmative Action Equal Opportunity Employer.

4.2 Ethics Affidavits and Certifications –

Bidders are required to provide the following certifications. (State Forms Attachment 6)

- A. **Please note that this project is Not Tax-Exempt.**

5.2 Miscellaneous:

- A. OSHA Training – Pursuant to Connecticut General Statutes Sec. 31-53b (a) each contract entered into on or after July 1, 2007, for the construction, remodeling, refinishing, refurbishing, rehabilitation, alteration or repair of any public building project by the state or any of its agents, or by any political subdivision of the state or any of its agents, where the total cost of all work to be performed by all contractors and subcontractors in connection with the contract is at least one hundred thousand dollars, shall contain a provision requiring that, not later than thirty days after the date such contract is awarded, each contractor furnish proof to the Labor Commissioner that all employees performing manual labor on or in such public building, pursuant to such contract, have completed a course of at least ten hours in duration in construction safety and health approved by the federal Occupational Safety and Health Administration or, in the case of telecommunications employees, have completed at least ten hours of training in accordance with 29 CFR 1910.268. It is required that all on-site workers hold current OSHA 10-hour training certifications.
- B. Contract Provisions: Contractor agrees to the provisions set forth below, which shall also be included in any subcontract issued by the Contractor, with the applicability of terms to be adjusted accordingly. Any duplication of provisions already provided in this Contract Agreement shall be disregarded. In the event of a conflict between the following provisions and those contained in this Contract Agreement, the more stringent shall apply:
 1. All work is to be performed in accordance with the requirements of the Contract Documents for this Project.
 2. The Contractor and all of its subcontractors agree to waive all rights to subrogation against CRDA and CRDA's agents, for damages caused by fire or other perils covered by insurance obtained for or in place upon the Project.
 3. The Contractor and all of its subcontractors must carry and maintain insurance coverage in accordance with the Contract Documents and file certificates of such coverage with CRDA.
 4. The Contractor and each of the Contractor's subcontractors must cooperate with, CRDA and permit a designated auditor or representative to review and audit the Contractor's books and records in connection with any costs charged to the Project and included in the price of any change orders.

C. Project Meetings

1. Pre-Construction Meeting - Soon after the actual award of the contract (but in any event prior to the start of construction), authorized representatives of the contractor shall attend a Pre-construction Conference. Participants at the conference shall be familiar with the Project and authorized to conclude matters relating to the work. The Owner's Representative will forward the agenda to the successful bidder. The location of this conference will be at the Project Site or another convenient location as directed by the Owner's Representative. A Pre-Construction Meeting will also be held at the beginning of each subsequent Seasonal Work Period.
2. Project Meetings – Weekly or bi-weekly meetings will be scheduled as needed with CRDA, SOLLI Engineering, LLC and Contractor. The Bid shall include attendance by the Contractor's project manager.

- D. Qualified Work Force – The Contractor shall confirm that fabricator/installers meet the qualifications and are approved by the manufacturer if noted for the work to be performed.
- E. Parking: Limited onsite parking is available for tradespersons within the project area.
- F. Field Office: The Contractor will be required to have a field office on site for CRDA and Solli Engineering use.
- G. Welding Protection: The Bid shall include temporary barricades to protect from view any of their burning and welding operations so that other site personnel or passersby cannot look at any flames or welding operations.
- H. Cleanup: The Contractor is responsible for keeping all contracted work areas in a neat and orderly condition. This includes all designated storage areas. This Contractor shall perform daily clean-up operations within contracted work and storage areas.
- I. Waste Disposal: The bid shall include the removal and legal disposal of all construction waste/debris generated by the project including dumpsters.
- J. Power & Water: The bid shall include temp power as required for trailers, welding equipment, temporary lighting, temporary outlets, and water as needed.
- K. Dust Control: Dust control measures shall be taken by Contractor as required to prevent adverse impacts to the public and environment.
- L. Snow and Ice Removal: The contractor shall provide snow removal from work areas, parking areas, stockpile/storage areas, trailer areas and travel path areas within the contract limits for the duration of the contract. If needed, the contractor shall legally dispose of snow off site.
- M. Toilet Facilities: The Contractor shall provide temporary portable toilets as required to support the work.
- N. Document Coordination: Should a discrepancy exist between the requirements outlined within the Bid Documents or between the Bid Documents and the plans or specifications, the bid shall include the more stringent requirement.

6.4 Preparation and Submission of Bid

A. The form and style of Bids shall conform to the Bid Form attached hereto as Attachment 2.

1. Bids shall be submitted on forms identical to the form supplied with the Bidding Documents. Any modifications, revisions, deletions, etc. to the Bid Forms except where information is requested of the Bidder may be grounds for rejection of the Bid.
2. Provide all requested information and completely fill in all blanks on the bid form. Use typewriter or ink.
3. Interlineations, alterations and erasures must be clearly legible and initialed by the signer of the Bid.
4. On each copy of the Bid, include the legal name of the Bidder and a statement that defines the circumstance of ownership and control. The name of each person signing the proposal shall be typed or printed below the signature. When the proposal is signed by an agent of the Bidder, include evidence of current power of attorney. In every case, the proposal shall show the present business address of the Bidder, at which address communications will be received and service of notices accepted.
 - a. If the Bidder is a corporation, the proposal shall be signed in the name of the corporation and sealed by a duly authorized officer of the corporation.
 - b. If the Bidder is a partnership, the proposal shall be signed in the name or title under which the organization is doing business by an officer whose official capacity shall be designated.
 - c. If the Bidder is an individual, that individual shall sign the proposal in person, stating the name or title, if any, under which that individual is doing business.

B. Bid Submission:

1. One (1) original and two (2) copies of the Bid and other documents required to be submitted with the Bid shall be enclosed in a sealed envelope. The envelope shall be addressed to the party receiving the Bids and shall be identified with the Project name, and the Bidder's name and address. INVITATION TO BID: INSTRUCTION TO BIDDERS

5. Bid Closing Date: Bids will be received at **10:00 AM on January 6, 2026**, at the location indicated above and then opened. Late bids will not be accepted and will be returned to bidder unopened. Extensions will not be granted. Bidders are invited to attend the bid opening.
- C. Bid Package – the Bid Package shall include the Bid Form (Attachment 2) and all of the documents listed in Attachment #1.

6.5 Bid Security

- A. Bid Bonds are required for this project.

6.6 Modification or Withdrawal of Bid

- A. Bid Withdrawal: Bids may be withdrawn only by written request received from the Bidder prior to the deadline for submission. No bidder may withdraw its bid within ninety (90) days from the actual date of bid opening. Withdrawn Bids may be resubmitted up to the date and time designated for the receipt of Bids provided that they are then fully in conformance with these Instructions to Bidders.
- B. Extension: Bids shall be valid for 90 days following the Bid Closing Date. If for some reason a contract cannot be awarded within the specified period, the time may be extended by mutual agreement between CRDA and the designated low bidder.
- C. Bid Modification: Bids may not be changed after the deadline for submission. A Bid submitted prior to the time and date designated for receipt of Bids, may be modified or withdrawn by notice to the party receiving Bids at the place designated for receipt of Bids prior to the deadline for submission. Such notice shall be in writing and signed by the Bidder. If notice is sent by telegram, written confirmation shall be mailed and postmarked on or before the date and time set for receipt of Bids. Any change shall be so worded as not to reveal the amount of the original Bid.
- D. Bid Clarification: CRDA reserves the right to request clarifications from any bidder, which shall be provided at the bidder's sole expense.

6.7 Post Bid Scope Review Meeting

- A. After the public Bid opening there will be scope review meeting(s) with the apparent low Bidder(s). These meetings will be held at CRDA Offices at the Connecticut Convention Center, 100 Columbus Boulevard, Hartford, CT. The purpose of these meetings is to review the apparent low bidder's proposals. The apparent low bidders will be notified by CRDA and shall be available to attend these meetings.

6.8 Consideration of Bids

- A. The properly identified Bids received on time at CRDA's office, will be opened publicly.
- B. CRDA reserves the right to do any of the following without liability, including but not limited to:
 1. Award in part,
 2. To reject any and all bids in whole or in part for misrepresentation or if the bidder is in default of any prior State contract, or if the bid or submission limits or modifies any of the terms and conditions and/or specifications of the bid;
 3. Cancel the award or execution of any contract prior to the "Notice to Proceed;"
 4. Advertise for new bids.
- C. CRDA also reserves the right to waive technical defect, irregularities and omissions if, in its judgment, the best interest of CRDA would be served.
- D. CRDA reserves the right to correct inaccurate awards resulting from clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a bidder and subsequently awarding the contract to another bidder. Such action on the part of CRDA shall not constitute a breach of

INVITATION TO BID: INSTRUCTION TO BIDDERS

contract on the part of CRDA since the contract with the initial bidder is deemed to be void ab initio and of no effect as if no contract ever existed between CRDA and the bidder

- E. Every bid which is conditional or obscure, or which contains any addition not called for, may be considered invalid, and CRDA may reject every such bid.
- F. CRDA may reject a bid as non-responsive if the Bidder does not make all required pre-award submittals within the time designated by CRDA.

6.9 Acceptance of Bid

- A. It is the intent of the Owner to award a Contract to the lowest qualified Bidder offering the optimum combination of cost, service and schedule, provided that the apparent Low Bid has been submitted in accordance with the requirements of the Bidding Documents and does not exceed the funds available within the budget established for this project by the Owner. The Owner reserves the right to accept or reject any or all bids and to award the contract to the bidder deemed to be for its best interest. Consideration will also be given to bidder's affirmative action plan.
- B. The Bidder will be required to establish to the satisfaction of the Owner the reliability and responsibility of the persons or entities proposed to furnish and perform the Work described in the Bidding Documents.
- C. Prior to the award of the Contract, the Owner will notify the Bidder in writing if the Owner has reasonable objection to a person or entity proposed by the Bidder. If the Owner has reasonable objection to a proposed person or entity, the Bidder may, at the Bidder's option, (1) withdraw the Bid, or (2) submit an acceptable substitute person or entity with an adjustment in the Base Bid to cover the difference in cost occasioned by such substitution. The Owner may accept the adjusted bid price or disqualify the Bidder.
- D. Persons and entities proposed by the Bidder and to whom the Owner has made no reasonable objection must be used on the Work for which they were proposed and shall not be changed except with the written consent of the Owner.

An Affirmative Action/Equal Opportunity Employer. Minority/Women's Business enterprises are encouraged to apply.

INVITATION TO BID: INSTRUCTION TO BIDDERS**BID FORM****BF/6****CONCOURSE PARK
EAST HARTFORD, CONNECTICUT**

Bidder's Name: _____

GENERAL REQUIREMENTS

The bidder shall, before submitting his Proposal, carefully examine the Contract Documents. He shall inspect in detail the site of the proposed work and familiarize himself with all the local conditions affecting The Work and the detailed requirements of construction. If his Proposal is accepted, he will be responsible for all errors in his Proposal resulting from his failure or neglect to comply with these instructions or errors in judgment arising from said inspections of the work site and examination of the Contract Documents. The Engineer and/or the Owner will, in no case, be responsible for any losses or change in Contractor's anticipated profits resulting from such failure or neglect.

If the bidder finds any language in the Contract inconsistent, vague or difficult to understand or interpret, for any reason, he shall request clarification in writing from the Engineer or Owner not less than 8 working days prior to the scheduled dates for response thereto in writing to all bidders known to the Owner. Unless the bidder seeks clarification in accordance with this paragraph, he will be deemed to have waived his rights, if any he had, to object to said Contract language as vague or misleading for any reason.

When the plans and Special Provisions include information pertaining to surface observations, material testing and other preliminary investigations, such information represents only the opinion of the Engineer as to the location, character, or quantity of the materials encountered and is only included for the convenience of the bidder. The Owner/Engineer assumes no responsibility whatever in respect to the sufficiency or accuracy of the information, and there is no guarantee, either expressed or implied, that the conditions indicated are accurate or unanticipated developments may not occur. Said information shall not be considered by the parties as a basis for the Contract award amount.

The Bidder agrees that adequate time was allowed for the bidder to inspect all work sites and, unless express written request has been made, the Engineer/Owner will be presumed to have supplied the bidder all the information and access required to adequately complete the Proposal.

Work acceptance is to be made by the Engineer.

Any extra work beyond the scheduled quantities requiring additional cost to the Owner shall be approved by the Owner prior to taking such action. Claims for extra work which have not been authorized in writing by the Owner and approved by the Engineer will be rejected and the Contractor shall not be entitled to payment thereof.

CONSTRUCTION TIME

Contractor shall reference the Instructions to Bidders for applicable requirements.

RIGHT TO REJECT BIDS AND SIGNING CONTRACTS

In submitting this Bid, it is understood that the right is reserved by the Owner to reject any and all bids, and/or negotiate with the selected bidder or bidders, including splitting the work into multiple contracts, all as may be in the best interest of the Owner. If written notice of acceptance of this bid is mailed, delivered and/or otherwise transmitted to the undersigned within ninety (90) days after the opening thereof, or at any time thereafter before this bid is withdrawn by written notification, the undersigned agrees to execute and deliver a Contract in the prescribed form. The Work shall be commenced by the successful bidder within 14 days after the Notice to Proceed from the Owner.
