ADDENDUM NUMBER # 3

FOR

PUBLIC BID NUMBER 25-063

Rehabilitation of Bridge # 04392 Toelles Road Over Quinnipiac River

LOTCIP #L148-0003

This addendum is being issued for the following reasons:

Pre-bid meeting was held January 7, 2026 at 10 am, Wallingford Town Hall Room 315

Alison Kapushinski, PE, Town Engineer gave a brief overview of the project. The following items were mentioned and are included in the bid documents:

- The permits obtained for the project are included in the bid documents Notice to Contractor - Permits. Project is located within both Town of Wallingford and Town of North Haven.
- Project team to also include Construction Inspector, Project Botanist, and Project Herpetologist, who have not yet been hired by the Town.
- Town Road Closure Permit to be obtained by Contractor. Detour plans are in the bid. Contractor must obtain an Encroachment Permit from CTDOT District 3 for placement of detour signs within State ROW.
- Toelles Road must be reopened for traffic by November 1, 2026.
- Gas main is attached to the south side of the bridge. Eversource will temporarily relocate the line approximately 15 feet to the south in the coming months.
- Project Schedule: Work is anticipated to begin Spring 2026, 365 calendar days for completion of the work, Liquidated damages are \$1,200 per day.
- No in-stream work is allowed November 1st thru April 1st. Work activities shall be conducted during low-flow period from July 1st to September 30th.

Q: What percentage is CHRO?

A: Purchasing Agent stated 100%, check the new guidelines issued October 1, 2025
