

E2790
West Road Culvert Replacement and Related Work
Clarksburg, Massachusetts

ADDENDUM #1
September 10, 2026

The Original Bid Documents, including the Contract Documents, Specifications and Plans, are hereby amended as noted in this Addendum No. 1, dated September 10, 2026. Contractor shall acknowledge receipt of this addendum by inserting its number and date in the space provided in the Bid Documents.

1. The roadway shall be gravel as shown on Sheets C-1 and C-2. MA PE stamped Plans and Calculations provided by the Contractor's precast concrete supplier shall include the gravel roadway (not a paved surface as noted in the structural plans by JDB Consulting Engineers, Inc.). The Plan and Calculations shall be submitted to JDB and Foresight for review and approval prior to construction and final Chapter 85 acceptance. The reinforced precast concrete rigid frame bridge Plans and Calculations with a gravel roadway shall be considered incidental under Item 14. Please note there is no roadway curbing or edging proposed and any references shall be omitted.
2. On Sheet 1 of the structural plans by JDB Consulting Engineers, Inc, the Profile Along West Road scale is 1"=20' horizontal and 1"=4' vertical as stated beneath the profile and not as shown in the graphical scale bar.
3. The date and time of the pre-bid meeting is changed to Thursday, September 17, 2026 at 11:00 AM at the project site.
4. The date and time of the bid opening remains Monday, October 5, 2026 at 5:00 PM at Clarksburg Town Hall, 111 River Road, Clarksburg, MA 01247.
5. Please acknowledge receipt of this Addendum #1 on the Bid Proposal Form.
