ALFORD STREET FACILITY SEAWALL REPAIR

MWRA CONTRACT NO. 8194

QUESTIONS AND ANSWERS NO. 1

TO ALL BIDDERS:

All Bidders are hereby notified that the questions and answers noted below are in response to prospective bidders' questions.

Q1: The advertisement for this project listed minimum minority and female participation in workforce requirements, but the Contract's General Conditions, Section 00700, at Article 3.15 states that the participation in workforce requirements are "N/A." Are there minimum participation in workforce requirements?

A1: Refer to Section 00700, Article 3.15 Requirements for Subcontracting with Minority and Women Businesses. There are no minimum minority and female participation requirements. The terms of the Contract's General Conditions prevail.
